E-Verify and Right to Work

**E-Verify**

This organization participates in E-Verify and will provide the federal government with your Form I-9 information to confirm that you are authorized to work in the U.S. If you believe that your employer has not verified your identity or work eligibility, please contact the nearest office of the Department of Homeland Security. If you believe that your employer has tried to verify your identity but has not been able to do so, you should discuss the matter with your employer. An employer who is unable to verify your identity may ask you to provide additional identification documents. If you have any questions about E-Verify, please contact DHS.

**Right to Work**

Don’t let anyone take it away.

You should know that:

- In most cases, employers cannot deny you a job or fire you because of your national origin or ethnicity unless they have a valid, job-related, and business necessity reason for doing so. Employers cannot treat you differently because of your national origin or ethnicity unless they have a valid, job-related, and business necessity reason for doing so.

- Employers cannot terminate your because of your national origin or ethnicity unless they have a valid, job-related, and business necessity reason for doing so.

- In most cases, employers cannot require you to be a U.S. citizen or a lawful permanent resident.
